You're a nuclear-trained officer. It goes beyond special. It's elite! And your status reflects a job that demands your best. Proving your skills at the heart of today's nuclear-powered Navy.

Over half of America's nuclear reactors are in the Navy. That adds up to more years of experience with reactors than any company in the world, and it means working with the most sophisticated training and equipment anywhere.

College graduates get Officer Candidate School leadership training, and a year of graduate-level training in the Navy Nuclear Power School.

The rewards are top-notch, too. Generous bonuses upon commissioning and also upon completion of nuclear training. Sign up while still in college and you could be earning $1,000 a month right now.

Be one of the most accomplished professionals in a challenging field. Lead the Adventure as an officer in the Nuclear Navy.

Contact your Navy Officer Recruiter or call 1-800-327-NAVY.

HOW TO REGISTER

The period from Monday, November 30–December 4, 1987 has been set aside for registration for Spring 1988. Please read the following instructions carefully so that you will understand how to register for next semester.

Where To Obtain Your Registration Forms

1. CAS declared majors at major departments.
2. CAS undeclared majors will have forms mailed with instructions.
3. CPCS registration materials can be picked up at Enrollment Services, 1st floor Park Square.
4. Management majors at McCormack Hall, 3rd floor, Room 415.
5. Nursing majors at Science Building, 3rd floor, Room 012.
6. Physical Education majors at Science Building, 3rd floor, Room 268.
7. Education majors at Science Building, 3rd floor, Room 216.

FORMS MUST BE RETURNED TO THE OFFICE OF THE REGISTRAR BY DECEMBER 4, 1987.

- CPCS students should return their forms to the Office of Enrollment Services, 1st floor Park Square.
- Continuing students who do not submit registration forms by December 4, 1987 will be assessed a $25 late registration fee.

Registration Forms

1. Each student is given a form on which to register. This form allows the option of registering for nine courses or seven courses with two alternates.
2. **Free Time Exempt Form** — These forms are used so that students may indicate particular hours during which they do not wish classes to be scheduled. To insure that the information can be interpreted, it is essential that a #2 pencil be used to fill in the slots corresponding to the times and days of the week during which you do not want classes scheduled.

   Use of these forms do not enhance your chances of receiving a section that you request, they could in fact limit your ability to obtain a course because you will not be assigned to sections that meet at hours from which you have exempted yourself. Use of these forms could limit your chances of receiving a full schedule.
3. The registration form and time exemption form are read by machine. This means the markings must be completed carefully, i.e., no erasures, stray marks, folds, etc. A #2 pencil must be used.

Semester Schedule Booklets

The schedule booklet is the list of courses that will be offered in the Spring '88 semester. Your program for the next semester should be chosen from this booklet, along with the course addenda which is a list of changes made to the semester booklet (added sections, cancelled courses, etc.). Please do not select courses from the schedule booklet without checking the addendum as changes may have been made.

The University course listing is a complete listing of courses offered with descriptions. University requirements are also listed in this book.

STUDENTS WHO OWE FOR A PREVIOUS SEMESTER WILL NOT BE ALLOWED TO REGISTER FOR FUTURE COURSES UNTIL ALL FINANCIAL OBLIGATIONS HAVE BEEN CLEARED.

THESE BILLS MUST BE CLEARED BEFORE THE END OF THE ADD/DROP PERIOD, (FEBRUARY 9, 1988) IF REGISTRATION IS TO BE PROCESSED FOR THE SPRING 1988 SEMESTER. AFTER PAYING FOR A PREVIOUS SEMESTER STUDENTS MUST APPLY FOR READMISSION.

HOW TO FILL OUT YOUR REGISTRATION FORMS

1. Be sure that all numbers are penciled neatly and completely. Double check to see that entries are accurate. If a number is incorrect or illegible or not blocked in totally, the entire transaction will be invalidated.
2. Use the 6 digit schedule number assigned to the specific section of the specific time you wish to take the course (see example 1 below).

DEPT.	COURSE SECTION	SCHEDULE NUMBER	TITLE MEETING TIMES	BLDG. FLR. RM.	CR	INSTRUCTOR
P—H—I—L—O—S—O—P—H—Y			INTRO PHILOSOPHY			EXAMPLE 1

	7	146343	MWF 10:30	1-1-054	ANDIC	

3. When registering for a course with 2 or more parts (lec., lab) be sure to include all parts or you will arbitrarily be assigned the missing portions (see example 2 below).

DEPT. SECTION	COURSE NUMBER	SCHEDULE MEETING TIMES	TITLE FLR. RM.	BLDG.	CR	INSTRUCTOR

LAB	1	069119	TU 9:30-12:30	1-1-054	GELB	

4. **Alternate Choice** — Some choices are listed with the notation "Alternate choice advised". This is used for courses which in the past have been consistently overenrolled. This does not mean you cannot request one of these courses, only that you would be well advised to consider making an alternate choice along with this request. It would also be helpful to use the 2 alternate choices whether or not it is specifically advised as their use enhances a student's possibility of obtaining courses. Alternates must be a different course — not a different section of the same course. For example: Alternate 1 will be considered only if course request 1 cannot be scheduled. Similarly, alternate 2 will be considered only if course request 2 cannot be scheduled. Alternates are not transferable from one choice to another.

GENERAL INFORMATION

The N/A grade may be placed on a student's transcript if the student has registered for a course, and did not attend the course during the Add/Drop period, and failed to drop the course by the published Add/Drop deadline. The N/A grade does not affect a student's grade average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

Schedules must be approved by a CAS Advisor. ALL FORMS MUST BE SUBMITTED BY 4:00 p.m., DECEMBER 4.

COLLEGE OF MANAGEMENT (CM)
SPRING 1988

Registration Procedures and Information

Registration forms for all College of Management students will be available in the CM Office of Student Services (020/3/415) from 8:30 a.m. to 7 p.m., Monday through Thursday and from 8:30 a.m. to 5 p.m. on Friday during Advance Registration, November 30-December 4, 1987. Completed registration forms must be returned to the Office of the Registrar by 5:00 p.m. on Friday, December 4.

A full-time registration for CM students is a maximum of five courses. Registration for more than 15 credits requires written permission of the CM Assistant Dean for Student Services. Normally such permission is given only when a student's cumulative grade point average is 3.0 or above.

Advising

College advisors, as well as peer advisors, will be available in the CM Office of Student Services during the hours listed above to assist CM students with course selection:

Students who have successfully completed a minimum of 60 credits and who have declared a concentration are encouraged to make an appointment to see their faculty advisors. Faculty advisor assignments are posted in the CM Student Services area each semester. All CM students should also see a college advisor in the Office of Student Services several times during their college career to officially update their program plan.

Course Selection

Degree requirements are available in the CM Office of Student Services. Students in the College of Management are expected to complete general education requirements as well as other 100 and

200 level required course work during the first two years of study. All 300 and 400 level CM courses, including Management Core and Concentration requirements, may only be taken after the student attains junior (earned 60 credits) or senior (earned 90 credits) standing.

Incomplete Courses

Students who have received an incomplete grade in a course through a prior arrangement with an instructor must go to the original instructor, or in his/her absence to the Department Chair, to make arrangements to complete the course. **Do not reregister for the course.**

Pass/Fail Regulations

Students in the College of Management may take elective courses only on a pass/fail basis. Required courses in general education, the management foundation, management core and concentration may not be taken pass/fail.

Non-Management Students in CM Courses

Non-management students may only register for AF 210, Financial Accounting, and AF 211, Managerial Accounting. With very few exceptions, which require prior written approval from the CM Office of Student Services, registration in all other College of Management courses is closed to non-management students. Exceptions to enroll in a particular course(s) require a written request to the CM Office of Student Services accompanied by official transcripts of all prior college level coursework.

PHYSICAL EDUCATION
SPRING 1988

Registration Procedures and Information

Registration forms for all Physical Education majors will be available in the Physical Education office (Science Building, 3rd floor) from 8:30 a.m. to 4:30 p.m., Monday through Friday during Advance Registration, November 30-December 4, 1987.

Advising

Faculty will be available in the Physical Education office to assist students with course selection during Advance Registration. It is advisable to call and make an appointment with a faculty member (929-8598).

Students who have completed a semester and have declared a concentration in Physical Education should make an appointment to see their faculty advisor. Faculty advisor assignments may be obtained from the secretary.

All Physical Education majors must fill out a major registration card each semester. Each faculty advisor will have these cards or they may be picked up in the secretary's office. Please check to see that your name is on the department list of registered majors.

Course Selection

Degree requirements are available in the Physical Education office. Physical Education majors are expected to complete the core curriculum as set forth by the College of Arts and Sciences and are required to demonstrate proficiency in writing as outlined by the College of Arts and Sciences. Further information about the Writing Proficiency Requirement can be obtained from CAS Academic Support Services, M/3/625.

Skill development courses may be listed in the schedule booklet as starting the first or second seven weeks. Courses starting the second seven weeks will commence the week of March 28, 1988.

Declared Majors

Registration forms will be available within major departments and must be returned to the Office of Registration and Records by 5:00 p.m. on Friday, December 4th.

EARLY CHILDHOOD EDUCATION
ELEMENTARY EDUCATION
SECONDARY EDUCATION

(Institute for Learning and Teaching)

Spring 1988

Registration Procedure and Information

Registration forms for all Elementary/Early Childhood Majors and continuing Special Students in the Elementary and Secondary Certification Programs will be available from Hannah Gilman in the Office of Student Services ILT (Science Building, 3rd Floor), from 8:45 a.m. to 5:30 p.m. from November 30-December 4 (to 4:00 p.m. only on Friday, December 4).

Any student wishing to register for Elementary Education or Secondary Education courses for the Spring, 1987 semester **MUST have the Registration Form signed by Hannah Gilman.**

Course Selection and Advising

Hannah Gilman will be available to assist students with course selection on a sign-up basis between 8:45 a.m. and 5:30 p.m. (to 4:00 on Friday) during the week of Advanced Registration.

Elementary/Early Childhood Education majors are required to complete the Core Requirements as set forth by the College of Arts and Sciences, and to pass the Writing Proficiency Exam.

Pass/Fail Regulation

Elementary Education and Secondary Education courses may NOT be taken on a Pass/Fail basis.

SCHOOL OF NURSING

Registration forms for the School of Nursing students will be available in the School of Nursing Offices (Science Building, 2nd Floor) from 8:30 a.m.-7:00 p.m., Monday through Thursday, and from 8:30 a.m.-5:00 p.m. on Friday, during Advance Registration, November 30 through December 4, 1987. Completed registration forms must be returned to the Office of Registration and Records by 5:00 p.m. on Friday, December 4.

Each School of Nursing student must meet with his/her advisor during The Advance Registration Period to select courses and update records. Students' names and their advisors will be posted at the School of Nursing office.

SENIORS

All seniors must declare their intent to graduate by submitting a graduation form.

Deadline dates for submitting graduation declaration form:

For May 1988 . . . . . .December 4, 1987

For September 1988 . . . . . .July 1, 1988

Any student whose form is received after the appropriate deadline will be evaluated for the next possible graduation date.

If a student does not complete all requirements by the declared graduation date, then it is the student's responsibility to submit an updated declaration form to the Office of Registration and Records to be considered for a new graduation date.

COLLEGE OF ARTS AND SCIENCES GRADUATION REQUIREMENTS

The Undergraduate curriculum in the College of Arts and Sciences is divided into three parts: preparation in general education, a major field of study, and electives to complement the breadth and depth of a liberal education. To assure that all students who are graduated from the College of Arts and Sciences have completed a rigorous and coherent course of study, the college has established a series of seven requirements for the Bachelor of Arts (BA) degree. Students in certain fields may receive a Bachelor of Science (BS) degree by completing an eighth requirement.

1. Freshman Writing Requirement

CAS students must take a year of Freshman Composition (English 101 and English 102) or gain a waiver. Freshman Composition teaches the fundamentals of expository writing and the presentation of research. Expository writing skills are necessary for term papers and written presentation of ideas in all CAS disciplines. Students who place into English 010 on the English Placement Test must complete the composition sequence Eng 010, Eng 101, Eng 102.

2. The Core Course Requirement (C Courses)

CAS students must take five C Core courses; three at the 100 level and two at the 200 level. These course are designated by a "C" in the course number (e.g., Philosophy C108) and are often referred to as "C" courses. These required "C" courses are counted as five of the twelve course in the distribution requirement (see next paragraph). Core Course are specially designed to introduce students to broad conceptions of knowledge and the skills of writing, critical thinking and computation that are necessary for understanding them. They are introductory in character, but not designed as preparation for a specific discipline or as the basic course in a departmental major. "C" courses are limited in enrollment in order to provide more intense instruction in academic skills. Because offering these limited-enrollment classes places heavy demands on scarce faculty resources, **NO MORE THAN FIVE "C" COURSES MAY BE COUNTED TOWARD THE DISTRIBUTION REQUIREMENT OR TOWARD GRADUATION.**

3. The Distribution Requirement (D and E Courses)

To assure that they develop a broad familiarity with the range of human knowledge, CAS students are required to take a total of 12 courses distributed among seven broadly defined areas. These areas are: The Arts, Historical and Cultural Studies, Philosophical and Humanistic Studies, Social and Behavioral Studies, Natural Sciences, Mathematics and Computer Languages, and Foreign Languages. (See the accompanying descriptions of the seven areas of study).

100-level and 200-level courses that satisfy the distribution requirement contribute to general education through their breadth in one of the following ways: they survey a discipline or an important area within a discipline, they offer an interdisciplinary approach to their subject matter, or they use a relatively narrowly defined topic to investigate major themes in an area of study.

CAS students must take 12 courses distributed in six or seven of the seven areas. Five of these 12 courses must be taken from among the 100-level and 200-level D and E courses that are assigned to areas of study. As many as 3 courses may be taken in any one area; otherwise no more than 2 per area.

4. The Writing Proficiency Requirements

Both the overall design of the Core Curriculum and the materials and methods of individual core C courses assist students in acquiring critical skills. Foremost among these is the ability to present ideas clearly, correctly and persuasively in English prose. For this reason, the College requires students to demonstrate proficiency in writing by either passing a proficiency examination or submitting a satisfactory portfolio of papers before the beginning of the junior year. This requirement holds for all students who entered CAS as freshmen in September, 1978, or thereafter,and for transfer students who entered CAS in January, 1979, or thereafter. Students absent from the College for two or more years and readmitted since Spring, 1985, must also pass the requirement prior to the junior year or before their second semester of full-time enrollment. Further information about the Writing Proficiency requirement is available in the College's Office of Academic Support and Advising.

The Writing Proficiency Examination: The examination is given three times a year. Dates are posted in the Office of Academic Support and Advising (M/3/625) and in the Mass Media. The next exams are scheduled for January 4, and June 6, 1988. A student should sign up one month in advance of the scheduled date in order to prepare the assigned materials, which should be picked up when the student signs up for the exam. In order to pass the examination, the student must write an acceptable essay based on a set of readings and a question designed to elicit evidence of thorough understanding of the readings, as well as the ability to synthesize material, draw inferences, and construct a well-organized response in good English.

NOTE that the Writing Proficiency Examination IS NOT THE SAME as THE ENGLISH PLACEMENT TEST, which all students take upon entrance to the College.

The Portfolio: The portfolio is an alternative method of demonstrating writing proficiency. It may be submitted at any of the scheduled exam times and in October. It consists of four papers, each at least five typewritten pages in length. Three of these are expository papers, written for courses, and based on reading materials. The instructor's

assignment and verification of originality must be included for each of the three course papers. The fourth essay is a new one, written on a topic and series of readings distributed by the Office of Academic Support and Advising.

Failure to take/pass the examination/portfolio: Students who have not satisfied the writing proficiency requirement by the time they have accumulated 68 credits must take AS 044, a critical reading and writing course designed to help students pass the requirement. Students with 68-69 credits must have their schedules approved by the Director of the Writing Proficiency Program. Student with 90 or more credits who have not taken/passed the examination/portfolio are suspended until they have completed the requirement.

5. The Total Credit Requirement

CAS students must acquire a total of 120 credits to graduate. A maximum of 4 of the 120 credits may be earned in Academic Skills courses. Credits earned in ESL courses, other than ESL 100D, do not count toward graduation. At least 30 of the 120 credits required for graduation must be earned from the University of Massachusetts-Boston.

6. The Major Requirement

CAS students must complete the requirements of one of the majors offered by the college. Major requirements are listed by department in the University Bulletin. Students also have the option of designing an individual major under the supervision of a faculty member. Information on the Individual Major is available from academic Support and Advising.

7. The Grade Point Average Requirement

Students must achieve a minimum cumulative grade point average of at least 2.0 in order to graduate. Students who do not maintain the minimum cumulative average required to retention are subject to warning, probation, suspension, or dismissal. See the University Bulletin for details. Some major programs also require that students maintain a cumulative average of 2.0 in course taken toward the major. Consult major departments for more information.

8. The Bachelor of Science Requirements (optional)

CAS students majoring in biology, chemistry, earth science, mathematics and computer science, physics or psychology have the option of earning a Bachelor of Science degree. To qualify for a BS degree a student must, in addition to fulfilling the seven preceding requirements, complete six semester courses outside the major discipline from other sciences. Specific BS degree requirements for each major are listed in the University Bulletin under the major department.

WAIVERS

The Freshman Writing Requirement may be waived by examination. Students should inquire at the Department of English.

Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language will receive a waiver for two Foreign Language courses toward the distribution requirement. Native speakers of languages other than English are encouraged to apply for this waiver. Students granted a waiver in a Foreign Language need take only ten courses toward the distribution requirement.

Students who present evidence through placement scores or transcripts of work in Mathematics equivalent to college calculus (Math 141) will receive a waiver for two Mathematics courses toward the distribution requirement. Student granted a waiver in Mathematics need take only 10 courses toward the distribution requirement.

There are no waivers for the Writing Proficiency Requirement.

TRANSFER STUDENTS

Approved courses from other institutions offered by transfer students will be accepted for the core course and distribution requirements as well as for the total credit requirement. If fewer than 12 courses are accepted toward the distribution requirement at the time of transfer, -the student must complete the remainder of the requirement within CAS. Qualifying transfer courses are first counted toward the five "C" course requirement wherever possible. As a result, some transfer students may bring in five "C" courses through transfer credit and therefore have no opportunity to take "C" courses in CAS. In order to permit transfer students to take some "C" courses, the college has adopted the following policy.

(1) Students entering with 0-30 credits **may** take up to 5 "C" courses regardless of the designation of the course work transferred to UMB

(2) For students entering with 31-45 credits and at least three qualifying transfer courses, the first three qualifying transfer courses must be used toward the "C" course requirement; such students therefore have the option of taking up to two "C" courses at UMB, regardless of the designation of the courses transferred.

(3) For students entering with 46-60 credits and at least four qualifying transfer courses, the first four qualifying transfer courses must be used toward the "C" course requirement; such students therefore have the option of taking one "C" course at UMB, regardless of the designation of the courses transferred.

(4) For students entering with 61 or more credits and at least five qualifying transfer courses, the first five qualifying transfer courses must be used toward the "C" course requirement; such students may therefore not take any "C" courses at UMB. If conflicts with majors requirements arise, appropriate waivers may be granted by department chairpersons.

AREAS OF STUDY

I. **The Arts** approach the world through an awareness and use of forms of creative expression such as music, drama, literature, natural sciences, paintings, sculpture and architecture.

II. **Historical and Cultural Studies** concern the reconstruction and interpretation of the human past and seek to understand both literate and non-literate cultures.

III. **Philosophical and Humanistic Studies** focus on the analysis of concepts and values, social, ethical, religious, and cognitive, and interpret the world through the critical application of such concepts and values to experience.

IV. **Social and Behavioral Sciences** such as anthropology, economics, psychology, politics, and sociology 197 analyze the world in terms of structures and processes of behavior, of social interaction, and of institutions.

V. **Natural Sciences** seek an experimental understanding and application of the laws that explain natural phenomena and approach the human world through a study of its natural elements, structures, and processes.

VI. **Mathematics and Computer Languages** exhibit self-enclosed symbolic systems whose analytic pleasure and practical uses extend our sense of the nature and processes of human thought and the manageability of reality.

VII. **Foreign Languages** provide an understanding of human thought, feeling and culture through a study of the structures, meaning, functions, and development of speech; the study of a language not one's own improves mastery of one's own language and contributes eventually to the understanding another culture.

COLLEGE OF ARTS AND SCIENCES COURSE LOAD POLICY

Students may enroll for no more that FIVE (5) courses. After the first semester, however, students may take ONE (1) additional course under the following conditions:

(A) The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 (or above).

AND

(B) Written permission is secured from the Associate/Assistant Dean for Academic Studies.

INCOMPLETE POLICY

The grade incomplete (INC) is reported only where a portion assigned of required class work, or the final examination, has been completed because of serious illness, extreme personal circumstances, or scholarly reasons at the request of the instructor. If the student's record is such that s/he would fail the course regardless of the missing work s/he fails.

Permission of the instructor must be obtained and the **Form for Grade Incomplete** must be completed. These forms can be obtained from the appropriate Departmental offices.

A student receiving the grade of "incomplete" is allowed one year in which to complete the course. The new grade must be submitted to the Registrar's Office by the grading deadline for that semester, i.e., by the end of the **next fall** semester for spring incompletes. The grade for any course will be converted to the grade of "F" and the course cannot be completed.

N/A GRADE

The N/A grade may be placed on a student's transcript if the student has:

registered for a course, and
did not attend the course during the Add/Drop period, and
failed to drop the course by the published Add/Drop deadline.

The N/A grade does not affect a student's grade point average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition in which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

CLASS ATTENDANCE

Students whose names appear on a course roster may be asked to drop the course or be added to the end of the waiting list at the end of the second class session if they have not attended either class or have not communicated their intention of attending the class to the instructor or the department chair in writing. In the case of a class that meets only once a week, failure to attend or to communicate the intention to attend either to the instructor or department chair by the beginning of the second meeting will result in the same action

MANAGEMENT MINOR FOR CAS STUDENTS

The College sponsors a minor in management in collaboration with the College of Management. Prerequisites include Econ E101, Econ E102, Math D110, Statistics, the completion of 45 credits, a grade point average of at least 2.75 and completion of prerequisite courses with a B- or better. More information and application forms are available in the CAS Office of Academic Support and Advising. Application Deadline for Fall '88: March 1, 1988.

The World Is Still The Greatest Classroom Of All.

Applications are now being accepted for the University of Pittsburgh-sponsored Semester at Sea.

Each fall or spring 100-day odyssey aboard the American-built S.S. Universe literally offers you the world.

You can earn 12-15 transferable units from your choice of more than 50 lower and upper division courses, while calling upon places as culturally diverse as Japan, Hong Kong, India, Turkey, the Soviet Union, Yugoslavia and Spain.

It is a learning adventure designed to transform students of every color, race and creed into true citizens and scholars of the world.

For full information, including a catalog and application, call 1-800-854-0195 / 1-412-648-7490 in PA. Or write Semester at Sea, Institute for Shipboard Education, University of Pittsburgh, 2E Forbes Quadrangle, Pittsburgh, Pennsylvania 15260.

Then prepare for the learning adventure of your life.

			SECTION 5 IS HONORS - PERMISSION REQUIRED				

You're a nuclear-trained officer. It goes beyond special. It's elite! And your status reflects a job that demands your best. Proving your skills at the heart of today's nuclear-powered Navy.

Over half of America's nuclear reactors are in the Navy. That adds up to more years of experience with reactors than any company in the world, and it means working with the most sophisticated training and equipment anywhere.

College graduates get Officer Candidate School leadership training, and a year of graduate-level training in the Navy Nuclear Power School.

The rewards are top-notch, too. Generous bonuses upon commissioning and also upon completion of nuclear training. Sign up while still in college and you could be earning $1,000 a month right now.

Be one of the most accomplished professionals in a challenging field. Lead the Adventure as an officer in the Nuclear Navy. Contact your Navy Officer Recruiter or call 1-800-327-NAVY.

NAVY OFFICER.

LEAD THE ADVENTURE.

UNIVERSITY OF MASSACHUSETTS — Spring 1988

SEMESTER IN SPAIN

Not just for Spanish majors only,but for everyone: beginners, "in between" students, and advanced. Put some excitement into your college career.

BEGINNER OR ADVANCED-Cost is about the same as a semester in a U.S. college: $4,060. Price includes jet round trip to Seville from New York, room, board, and tuition complete. Government grants and loans may be applied towards our programs.

Live with a Spanish family, attend classes four hours a day, four days a week, four months. Earn 16 hrs. of credit (equivalent to 4 semesters taught in U.S. colleges over a two year time span). Your Spanish studies will be enhanced by opportunities not available in a U.S. classroom. Standardized tests show our students' language skills superior to students completing two year programs in U.S. Advanced courses also.

Hurry, it takes a lot of time to make all arrangements.

SPRING SEMESTER-Feb. 1-June 1, **FALL SEMESTER**-Sept. 1-Dec. 22 each year.
***FULLY ACCREDITED**-A Program of Trinity Christian College.*

EXTENDED DAY PROGRAM
Spring 1988

The Schedule which appears in the following pages is for the convenience of students taking courses in what we call our "extended day" — the late afternoon and evening hours. The majority of these courses begin at 6:00 p.m. (18:00 hours) and meet once a week for two and one half hours Monday through Thursday evenings; the rest meet twice a week for one hour and fifteen minutes.

In these pages we have listed all courses, undergraduate and graduate, according to the academic programs that offer them. We have also listed the undergraduate courses according to the days of the week on which they meet.

Programs Available In the Evening

Many of the University's more than sixty degree programs are represented by extended day courses. In some programs, students can complete all degree requirements through evening study alone — that is, by taking courses scheduled after 5:00 p.m. These programs are:

Undergraduate

Computer Science
Economics
English
History
Management
Political Science
Psychology
Sociology

Graduate

American Civilization
Bilingual/ESL Studies
Business Administration
Chemistry
Computer Science
Counselor Training
Human Services
Instructional Media
Public Affairs
Applied Sociology
School Psychology
Special Education

DIVISION OF CONTINUING EDUCATION

Evening Courses Off-Campus
Saturday Courses at the Downtown Center

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday mornings at the Downtown Center in Park Square. Most classes meet once a week for two and one-half hours. These courses are open to all UMass/Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

Registration

To register for an off-campus or Saturday course, you must fill out a continuing education registration form at the Office of the Division of Continuing Education (Wheatley 2/203). The office is open from 8:00 a.m. to 6:00 p.m., Monday through Thursday and from 8:00 a.m. to 5:00 p.m. on Friday. Continuing Education course fees are computed at the rate of $54 per credit and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $15 in registration and service fees but do not pay health, athletics, or activities fees. Full payment is required at the time of registration. The Division of Continuing Education accepts MasterCard and VISA for the payment of off-campus and Saturday course fees.

Academic Calendar

Please note that off-campus and Saturday classes begin two weeks later than classes on campus and follow a different academic calendar.

Registration deadline	January 29
Late registration ($20 late fee)	February 1-February 13
Classes begin	Week of February 8
Add/drop deadline	February 20
Vacations Off-Campus Courses	February 14-20
	April 17-23
On-Campus Courses	Week of March 19-27
Midsemester	March 24
Pass/fail deadline	March 31
Withdrawal deadline	March 31
Classes end	Week of May 16
Final exams	Week of May 23

Additional Information

The Division of Continuing Education publishes its own bulletin which contains complete information on the off-campus and Saturday programs as well as other credit and non-credit programs. To obtain a copy and for more information, call, write, or visit the Continuing Education Office (Wheatley 2/203, 929-7900).

PARKING REGULATIONS

THE UNIVERSITY OF MASSACHUSETTS AT BOSTON

General — No person shall allow or permit any vehicle registered in his/her name or under his/her control to park or stand on any street or other area of the campus or other lands of the University in violation of these Rules and Regulations. No vehicle may be parked in any area of the campus not intended for such parking, the person in whose name a motor vehicle is registered will be held responsible for all parking violations.

On the Harbor Campus, parking is restricted to the parking garages and connecting parking lot. Payment for parking shall be made upon exit from the garage.

There are no University parking areas for the Park Square Campus.

Motor vehicles parked in these areas shall be kept only within the clearly designated parking spaces.

Motor vehicles with evidence of non-use, left in parking areas, streets or other University property for fourteen (14) days or more shall be towed away under the direction of the Director of Public Safety or any University Police Officer, and the owner of the vehicle so towed away shall be liable for the cost of such removal and storage and shall also be subject to the penalties provided in Chapter 90, Section 22B, of the General Laws of the Commonwealth. The owner will also be held responsible for the care and protection of, or damage to, any such motor vehicle and its contents.

Operation of Vehicles on Campus

Speed limit — A) All vehicles will be operated at all times at a speed that is reasonable and proper. B) At no time will a speed on any campus roadway in excess of twenty-five (25) miles per hour be considered reasonable and proper, except as otherwise posted or for vehicles engaged in emergency response. C) At no time shall a vehicle be operated within any campus parking area, or garage or area within which buses are engaged in loading or unloading passengers, at a speed in excess of five (5) miles per hour unless otherwise posted.

Disturbance — No vehicle may be operated so as to cause undue noise or disturbance.

Operating conditions of vehicles — Vehicles parked on any University property must be kept in such conditions of mechanical repair that they can be removed at any time under their own power.

Loading and discharging of passengers — Loading or discharging of passengers is permissible only when a vehicle is at a complete stop at the edge or curb of a travelled way or within a safety or service zone expressly approved for this purpose by appropriate signs and/or instructions.

Eligibility — Permission to operate a vehicle on the campus or other lands of the University is a discretionary privilege bestowed by the Board of Trustees of the University and such privilege may be denied, revoked, suspended or modified by the action of the Trustees or by the officers of the University herein authorized to take such actions under Chapter 15A, Section 13 or Chapter 75, Section 32A of the General Laws.

Any person may operate a vehicle on the campus, provided that person is otherwise eligible to operate vehicles upon the public highways of the Commonwealth. Said vehicles shall be operated and parked in appropriately designated parking places on campus. Vehicles may not be operated on campus unless all outstanding University parking fines and fees have been paid; parking privileges will be revoked, denied, suspended or modified for failure to pay current unpaid University parking fines and fees and such vehicles shall be towed away.

Liability coverage — No vehicle may be operated on the campus or other lands of the University unless the vehicle has met the Motor Vehicle Liability Policy or Bond requirements for the operation and use of motor vehicles upon the ways of the Commonwealth.

Non-resident students — A student's motor vehicle bearing other than Massachusetts registration plates must also be registered with the Massachusetts Registry of Motor Vehicles under the provisions of Chapter 90, Section 3 of the General Laws of the Commonwealth or will be subject to the described penalties. The necessary forms for registration will be available at the University's Department of Public Safety Office.

Limits of liability — The University shall not assume responsibility for any motor vehicle or parts thereof, or its contents while parked or being operated on University property. The registered owner assumes all risk of accident, and the University of Massachusetts shall not be liable for resulting injury to person or loss or damage to property.

Reporting of accidents — All accidents involving motor vehicles which occur on University property shall be immediately reported to the Department of Public Safety Office. This report is in addition to the notification to the Registry of Motor Vehicles of the Commonwealth as required by statute.

THE ARMY RESERVE'S GI BILL CAN MAKE YOU A PART-TIME SOLDIER AND A FULL-TIME STUDENT.

A part-time job in the Army Reserve has just become an even smarter way to work your way through college. The Army Reserve now has its own GI Bill, and if you qualify, you can receive up to $5,040 for college while you attend college.

But the GI Bill isn't the only valuable thing about being an Army Reservist. You'll also be paid for training in one of over 300 skills.

In addition, you'll earn at least $1,870 a year for serving two days a month (usually on weekends) at your local Army Reserve Center, and attending two weeks of annual training. And if you take out a student loan, you may qualify for a program that can help you repay it.

With the GI Bill to help with tuition, and your monthly Army Reserve salary to help with other expenses, you could earn over $16,000 for college in one enlistment.

If you'd like to know more about taking the Army Reserve's GI Bill to college with you, call toll free 1-800-USA-ARMY.
